For Patients With Dental Insurance

We accept dental insurance assignments, with the understanding that any uninsured portion not covered by your insurance plan is to be paid by you at the time of service. As a courtesy, our office will file all applicable insurance forms. Please note that although we strive to provide accurate information, such information is not a guarantee of payment or eligibility with your insurance company and is only an estimate. Your dental insurance plan is a contract between you, your employer, and the insurance company. Depending on your specific insurance plan, your dental insurance may not fully cover our office dental fees for the services we render. The difference between our office dental fees and your insurance reimbursement is your responsibility.

Returned Checks

Personal checks that are returned due to "insufficient funds" are subject to a $35.00 service fee.

Service Charge

Payment is due at each appointment. I agree to pay any outstanding insurance balance within 60 days. In case of default of payment, I promise to pay any legal interest on the balance due. Together with any collection costs and reasonable attorney fees incurred to effect collection of this account balance or any future accounts. Please be advised that there is a $30-$35.00 fee charge for missed or broken appointments without 24 hours' notice. To avoid this charge, kindly give us a minimum of 24 hours' notice for any appointment cancellation. Feel free to contact us at any time with questions you may have.
